**Product Information**

|                   |                      |
|-------------------|----------------------|
| Product Name      | Stainless Steel 316L |
| Batch ID          | H-87654-01           |
| Heat Treatment    | Solution Annealed    |
| Surface Condition | 2B                   |
| Production Date   | 2025-05-14           |
| Country of Origin | DE                   |

**Product Norms**

|             |                  |
|-------------|------------------|
| Designation | ASTM A240 (2023) |
| Grade       | 316L             |

**Material Designations**

|             |               |
|-------------|---------------|
| System      | UNS EN        |
| Designation | S31603 1.4404 |

**Product Shape**

|           |         |
|-----------|---------|
| Form      | Plate   |
| Length    | 2000 mm |
| Width     | 1000 mm |
| Thickness | 10 mm   |

| PMI (Positive Material - Identification)   | Yes<br>Material confirmed as 316L stainless steel | -          |                | XRF Analysis         | ✓      |

Validation

We hereby certify that the material described above has been manufactured and tested in accordance with ASTM A240/A240M and meets all specified requirements. This material is suitable for nuclear applications in accordance with RCC-M code.
