## Validation

We hereby certify that the material described above has been manufactured and tested in accordance with the requirements of EN 10204:2004 type 3.1 and the specified standards. The results comply with the requirements.

### Individual Statements

- ✓ Material is of German origin
- ✓ 100% of the material is from European Union sources
- ✓ Material is of non-Russian origin (*EU Regulation No. 833/2014*)
- ✓ Material is conflict-free and sourced responsibly (*OECD Due Diligence Guidance*)
