Digital Material Passport

DMP ID	a1b2c3d4-5e6f-4890-abcd-1234567890ef
Date	2024-11-15

General Information

User Defined ID	EU-PINE-2024-CUSTOMS
Country	Germany
Land	Bavaria
District	Upper Franconia
Forest Concession Name or Number	Bavarian State Forest 445
Certification Number	PEFC-C987654
Certification Claim	PEFC Certified
Certification Percentage	100
Harvest Authorization Name or Number	DE-BAV-2024-1129
Harvesting Period	
Start Date	
End Date	

Products

Coniferous Logs

Description of Product	Fresh pine logs for export to multiple markets
HS Code	4403.20
HTS Code	4403.20.0040
CN Code	4403 20 00
Production Period	
Start Date	2024-10-01
End Date	2024-11-15

List of Species

Common Name	Scientific Name	Measurements
Scots Pine	Pinus sylvestris	Volume: 850.75 m³ Net Weight: 425375 kg Supplementary: 850 Green Tonnes

Due Diligence Statement

This Digital Material Passport certifies compliance with EU Timber Regulation (EUTR) requirements. All harvesting activities conducted under PEFC sustainable forest management certification. Chain of custody verified from forest to export point. Products conform to EU customs classification requirements for multiple destination markets including US HTS and EU CN classifications.

Harvest Units

Name	Producer Name	Producer Country	Production Place	Area
Sustainable Pine Harvest Block	Bavarian State Forestry	Germany	Black Forest Region	125.5 ha
